Taken by Bear in Yellowstone: A Century of Harrowing Encounters between Grizzlies and Humans
Kathleen Snow
Humans and grizzly bears have been coming into contact in Yellowstone National Park ever since it was founded in 1872. Most of these encounters have ended peacefully, but many have not. In order to most accurately tell the stories of those involved in the more deadly incidents, Kathleen Snow went directly to the source: the National Park Service archives. With help from personnel at park headquarters, Snow has collected more than 100 years' worth of hair-raising stories that read like crime scene investigations and provide hard-learned lessons in outdoor safety. A must-read for fans of *Death in Yellowstone* and anyone fascinated by human-animal interactions.
