Uncertainty and Expectation: Strategies for the Trading of Risk (Wiley Trading) Gerald Ashley
In this entertaining and thoughtful book, Gerald Ashley sets out to explain what trading is, and lays out a modus operandi for being a trader and investor. He draws upon market anecdotes and examples from the past, seeking to debunk many myths surrounding financial markets, and to try and make the reader understand the real processes, risks and rewards that drive investment. In particular he examines ideas in market and individual investor behaviour, and questions the usefulness of many of todays standard investment techniques including benchmarks, charts, analysts and gurus . He also lays out simple precepts for understanding investment risk and suggests ideas for managing your investments in today's markets.
